Make your annual Charitable Tax Credit Donation today.

The State of Arizona offers a Charitable Tax Credit for donating to organizations like the **National Kidney Foundation of Arizona (NKF AZ)**. This provision allows those that file an Arizona tax return to take dollar-for-dollar credit on their cash donation, up to **\$400** for an individual return and up to **\$800** for married couples filing jointly. Every dollar you donate is returned to you in full on your state taxes, without itemizing and without conflicting with the Public/Private Schools Tax Credit.

Over **80 cents of every dollar** donated to NKF AZ goes to supporting Arizona programs like direct emergency patient aid, free public health screenings, and organ donation advocacy. For 54 years, donations to the NKF AZ have provided thousands of life-saving rides to dialysis, patient medication, professional & public health education, and so much more!

Please consider giving a Tax Credit donation to the National Kidney Foundation of Arizona, putting your tax dollars to work to deeply impact the lives of thousands of Arizona kidney patients.
